NOTE:—

AMERICAN COUNCIL, INSTITUTE OF PACIFIC RELATIONS, ALSO KNOWN AS INSTITUTE OF PACIFIC RELATIONS

The Committee on Un-American Activities has been in receipt of correspondence from this organization requesting that its name be deleted from this publication. In view of the fact that the American Council, Institute of Pacific Relations, also known as Institute of Pacific Relations, is presently under investigation by a Senate committee, as well as by its original characterizer, the California Committee on Un-American Activities, the characterization of this organization will continue pending the outcome of these investigations, at which time the results will be appropriately noted.

DELETIONS

CROATIAN FRATERNAL UNION

This organization was described as one whose—

> entire organization was taken over by the Communists at its quadrennial convention held in Pittsburgh in September 1947 * * *. The background of the 1947 convention of the CFU must be traced back to 1924 when Stephen Zinich, under the guise of a news reporter, steered the Communist cell at a Detroit convention.

This description appeared in the report of the Congressional Committee on Un-American Activities, dealing with the American Slav Congress and associated organizations, House Report 1951, April 26, 1950 (originally released June 26, 1949). This committee is now in receipt of sworn affidavits from the officers of this organization disavowing membership or any association with the Communist Party. While it appears that the information originally reported concerning this organization was accurate, the organization appears to have repulsed the efforts of the Communist Party to dominate it.

The listing of this organization in the committee publication, Guide to Subversive Organizations and Publications, March 3, 1951 edition, page 44, is being deleted.

SLOVENE NATIONAL BENEFIT SOCIETY

This organization was originally described by the Congressional Committee on Un-American Activities as being among—

> the Communist-dominated organizations which have constituted a bulwark of financial support for the American Slav Congress.

This description was contained in the committee's report on the American Slav Congress and Associated Organizations, House Report No. 1951, April 26, 1950 (originally released June 26, 1949).

On the basis of information which has been supplied by the Slovene National Benefit Society, the committee has conducted an additional investigation as to the true nature and purposes of this society.

This investigation disclosed that, while it was true that the Slovene National Benefit Society had financially assisted the American Slav Congress by purchasing advertising space in the publication Slavic American, the official organ of the American Slav Congress, this assistance, though misguided, was not done with the intent of assisting the American Slav Congress. Rather the Slovene National Benefit Society used the Slavic American as a medium to attract individuals to its fraternal insurance benefits.

The committee has satisfied itself that the Slovene National Benefit Society is not under Communist domination and, since learning the true nature of the American Slav Congress, it has ceased to furnish any aid, financial or otherwise, to the Congress or its affiliates.

The reference to the Slovene National Benefit Society in the committee publication Guide to Subversive Organizations and Publications, March 3, 1951 edition, page 98, is being amended to reflect these findings.

APPENDIX

DEPARTMENT OF JUSTICE,
Washington, D. C., April 18, 1951.

Mr. HIRAM BINGHAM,
Chairman, Loyalty Review Board,
Civil Service Commission, Washington 25, D. C.

DEAR MR. BINGHAM: Further reference is made to your letter of January 17, 1951, and to my reply of March 14, 1951, regarding the Alabama Peoples Educational Association which, as you have been advised, is one of the subdivisions of the Communist Political Association designated by the Attorney General as coming within the scope of section 3, part III, of Executive Order No. 9835.

As you know, the Communist Political Association is designated as a Communist organization, a subversive organization, and an organization which "seeks to alter the form of government of the United States by unconstitutional means." The Alabama Peoples Educational Association as a subdivision of the Communist Political Association falls within the same three categories of the Executive order as does the parent organization.

Respectfully,

JAMES M. MCINERNEY,
Assistant Attorney General
(For the Attorney General).

DEPARTMENT OF JUSTICE,
OFFICE OF THE ATTORNEY GENERAL,
Washington, D. C., April 25, 1951.

Mr. HIRAM BINGHAM,
Chairman, Loyalty Review Board,
Civil Service Commission, Washington 25, D. C.

DEAR MR. BINGHAM: In his letter of April 21, 1949, to your predecessor, Mr. Richardson, Attorney General Clark designated the National Blue Star Mothers of America as a Fascist organization within the meaning of Executive Order No. 9835. As you may be aware, another organization not designated bears a similar title, namely, the Blue Star Mothers of America. In order to avoid any further confusion which may result in undue hardship for the Blue Star Mothers of America, it will be appreciated if in future releases containing the designation of organizations under Executive Order No. 9835 you follow the words "National Blue Star Mothers of America" with the following phrase in parentheses "Not to be confused with the Blue Star Mothers of America organized in February 1942."

Sincerely,

J. HOWARD MCGRATH,
Attorney General.

O
